In our Reception Hall, I would like to say a big thank you to Gloria Dillard for processing 60 new members, and she promised more to come. Yikes! Please remember to pay your dues for 2008-2009 year. This is the season to be thankful, and a time of giving. Lantana Ladies can make a difference for those who are less fortunate. Let's put our best foot forward this season. After our board meeting, November 4th we will have a date and a list of things that we could offer to the needy. Join us in giving. I know that our economic times are hard, but I am asking you to give from your heart, to put a smile on someone face. Lantana Ladies care!! Jenny Wiley is our community service director, so let's all get behind her and do our part.

If you have done something special, please let us hear about it! It might be a new job, an event, a trip, etc. We all want to hear about it. "WOW...Look what I did....Yes, I Really did that..... send it to our email: lantaladiesleague@yahoo.com

Our year is off to a great start and I am excited to serve as your president. I want to especially thank our board of directors and those who have put so much time into this wonderful organization. It's not about me, it's all about us!
